

# Brintons

**Name:** Courtyard Portland  
Downtown/Convention  
Center

**Details:** Axminster: 2,100 SY

**Date:** 2014

For the Courtyard Portland  
Downtown/Convention  
Center, Brintons teamed up  
with Group One Partners to  
create 2,100 square yards of  
custom axminster carpets.

*"By collaborating with Brintons' designers, we were able to rework an existing organic pattern that would tell one of the many stories of historic Portland. The guestroom corridor carpet represents the historical significance of the 1866 Great Fire from which present day Portland rose and contributes significantly to reaching our design goals on this project."*
