DESIGN STORY & INSPIRATION

SKULDUGGERY

At times playful and mischievous,
at others dark and rocky. Brintons

Skulduggery is a melting pot
of graphical styles screaming with
metallic, edgy, hedonistic designs each
telling it's own story.

Drawing inspirations from music these
concepts evoke graffiti and rap, heavy
metal and electronica layered across
in an urban, manmade theme. Binary
collides with circuit boards. Geometrics
meet sharp anatomical skulls.

Embrace the darker side of Brintons.
