Expedited Woven Carpet Solution

QuickWeave is an exciting new initiative from Brintons. This expedited service is made possible by utilizing three dedicated color banks that are in stock and creel on the loom - *ready to weave*.

The best things in life are worth waiting for, but sometimes your schedule demands a faster turnaround. The Brintons QuickWeave offer allows for orders up to 1,000 square yards to be delivered within 8 weeks*.

To take advantage of this fast track service, contact your local rep or get started by following these quick and easy steps:

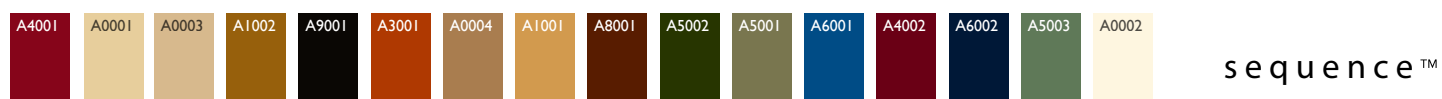

1. Visit Brintons Design Studio Online (DSO) to choose your patterns from the QuickWeave Dash collection**.
2. Recolor your pattern using one of the three available QuickWeave palettes; inception, sequence, and aurora.
3. Send your new pattern(s) to your local Brintons representative to get the project started.

*Standard lead-time from order placement is 8 weeks delivered to the East Coast. Actual lead-time will vary depending on final destination.

**The patterns in the QuickWeave Dash collection have been prepared using the inception palette.
