Healthcare 

abstract

Brintons abstract design collection for healthcare carpets

Abstract images invite our minds to find their own interpretation. A visual language of form, line and colour which follows no preconceived pattern or precedent.

Some will see nature's fruit, others the wonders of the solar system; whatever you find it's up to you.

Our mission

Brintons mission to make the world a more beautiful place now turns to wellbeing and healing environments.

We passionately believe everyone deserves a gracious living and working environment.

Whatever needs our clients have, Brintons has inclusive design options tailored to meet them.

From clinics and hospitals, to homes for seniors and the less able; Brintons range of beautiful healthcare carpets feature state of the art technologies. Safety, comfort, and practicality are all yours.

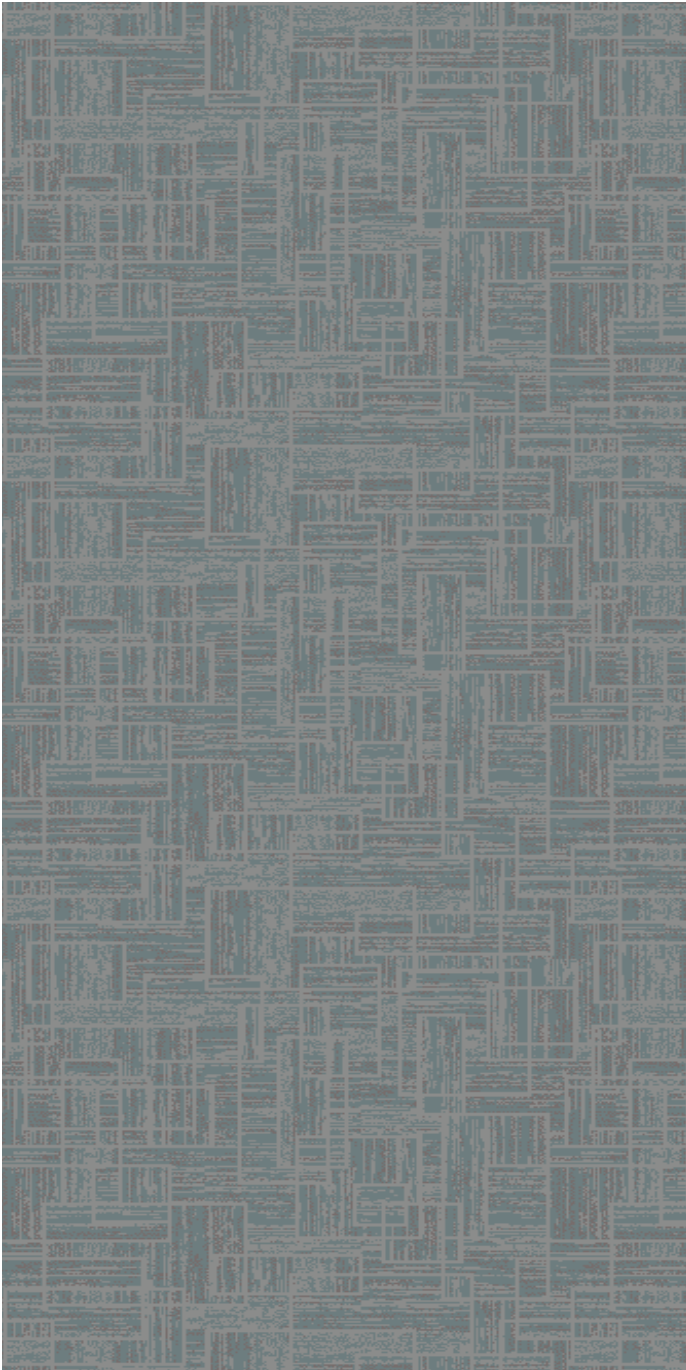

For too long selecting healthcare products has meant a choice between style or functionality; now Brintons brings you both. Style need never be compromised again.
