textures

## Brintons textures design collection for healthcare carpets

Basketry and weaves, fissions and fractures, lines in the sand. Our planet is rich in texture and here Brintons celebrates its diversity.

In your healthcare environment this creative use of texture can add real depth and feel to a space. The eye is carried on a deep journey of interpretation. Perfect for more reflective healing environments where a beautiful and contemporary environment is all part of the service.

## Our mission

Brintons mission to make the world a more beautiful place now turns to wellbeing and healing environments.

We passionately believe everyone deserves a gracious living and working environment.

Whatever needs our clients have, Brintons has inclusive design options tailored to meet them.

From clinics and hospitals, to homes for seniors and the less abled; Brintons range of beautiful healthcare carpets feature state of the art technologies. Safety, comfort, and practicality are all yours.

For too long selecting healthcare products has meant a choice between style or functionality; now Brintons brings you both. Style need never be compromised again.
