QuickWeave™ is an exciting initiative from Brintons. Choose from this specially curated range of our famous, highest quality carpets, specially created to meet the demands of customers who require a quick turnaround.

Brintons' award-winning design team developed the series to reflect today's trends with contemporary patterns, complementing transitional styles such as plaids, stripes, geometric, abstract and layered design themes.

Clever texturing techniques including mottles, striés and fades have been used within the patterns to give depth to the designs, whilst offering practical application for hospitality, leisure and gaming interiors.
